Yard Waste to Begin Monday, March 18th

Downes Lawn Service will resume yard waste pick-up on Monday, March 18, 2019. If you have any questions, please feel free to email Town Hall at townhall@townofcentreville.org or call 410-758-1180.

Centreville MD 213 Bridge Replacements

A message from the Maryland State Highway Administration:

The first weekend closure of MD 213 at Gravel Run on the north end of Centreville is set for the weekend of March 29, weather permitting. SHA will close MD 213 at the bridge (in front of Hardee's and Subway) at 7:00 p.m. Friday night, March 29. This closure will remain in place through the weekend. MD 213 will reopen to traffic by 5:00 a.m. Monday morning, April 1. Detour signs will be posted. The closure is necessary to assemble and place the temporary "jump bridge" that will keep traffic moving while crews repair the bridge substructure and replace the bridge deck this spring. This is the first of up to four weekend closures needed at the Gravel Run location.

At the south end of town, preliminary work to replace the MD 213 bridge over Old Mill Stream Branch continues. The staging/construction area has been established and crews began driving "sheet piles" along the stream. This work will continue through March. Some of the piles will be driven in the travel lanes of MD 213 - this will require a single lane flagging operation at night. The sheet piles are joined to form a continuous wall to support the stream bank in the bridge area. To minimize traffic impacts the new bridge will actually be constructed in the staging area. Using weekend closures crews will remove the old bridge and slide the new bridge into place on rails later this year. This bridge replacement also will require up to four weekend closures.

Bob Rager
Community Liaison/Spokesperson
Maryland State Highway Administration

Help Centreville Park Advisory Board Name Observation Decks on Millstream Trail

The Centreville Park Advisory Board announces that the two Millstream Trail observation decks are receiving a facelift with all new decking and work has already begun.

The advisory board would like to give names to both decks, one being at the end of Glendale Avenue, the other at the bend of Corsica Street.

Take a walk, enjoy the scenery and get inspired. You can submit your ideas to the Centreville Parks Advisory Board via email at PABCentreville@gmail.com. Please include your name and phone number so we can contact you if your name suggestion is a winner. The deadline to submit has been extended to Friday, March 22, 2019.

Frequent wildlife in both areas include both blue and green herons, bald eagles and osprey, king fishers, swallows, terns, rock doves, mallards, Canada geese, lesser yellow legs and red wing blackbirds. The stream is also home to beaver, muskrats and many species of fish. The area also has historical significance as a busy shipping and trade waterway. The observation walk off of Corsica Street offers a wonderful view of the Corsica Captain's Houses.

The Centreville Park Advisory Board meets the first Tuesday of each month. Residents of Centreville are encouraged to participate and are welcome to bring fresh ideas or concerns. For more information on the advisory board, visit www.townofcentreville.org/government/commissions-boards-info/parks-advisory-board//

Open Position on Centreville Economic Development Authority

The Town Council of Centreville is looking for volunteers interested in being considered for the Centreville Economic Development Authority.

In 2014 members of the Town Council of Centreville, recognizing the opportunity for beneficial outcomes that might arise from facilitating economic development and expanding the commercial tax base for the town, passed an ordinance to empower a Centreville Economic Development Authority (CEDA) to develop strategies to guide related growth by choice instead of by chance. As a result, this plan has been created to frame a strategy for future economic development that may occur in and around the Town of Centreville.

If you are interested in becoming a volunteer of the Centreville Economic Development Authority, download and complete an application and submit to Carolyn Brinkley, Town Clerk at cbrinkley@townofcentreville.org or deliver to Town Hall at 101 Lawyer's Row.

Landscape Maintenance - Invitation to Bid

The Town of Centreville is requesting sealed bids to provide landscaping maintenance services on Town properties. Bid packages will be available on the Town's website Friday, March 15, 2019 at www.townofcentreville.org or contact the Town Office. A mandatory pre-bid site visit will be held Friday, March 22, 2019 at 9:30 a.m. at the Millstream Park Pavilion.

Proposals must be received at Town Hall, 101 Lawyer's Row, Centreville,

Maryland 21617 by Monday, April 1, 2019, at 1:00 p.m., at which time they will be opened and read publicly.

The Town of Centreville reserves the right to reject any and all bid proposals, to waive any requirements, and to accept all or part of any proposal considered to be in the best interests of the Town. Award of the contract is subject to the approval of the Town Manager and the Town Council of Centreville. Any questions should be directed to Michael Whitehill, Project Manager who will be the contact for this bid process and can be reached at (c) 443-988-1947 or by email – michael@whitehillconsultingllc.com.

The Town of Centreville is an Equal Opportunity Employer. Discrimination based on age, race, gender, handicap or national origin is expressly prohibited.
