

THE TOWN OF CENTREVILLE 101 LAWYERS ROW CENTREVILLE, MD 21617
410-758-1180 FAX 410-758-4741 WWW.TOWNOFCENTREVILLE.ORG

The Town of Centreville recently purchased the Centreville Wharf property. The 2.4 acre parcel is located on the Corsica River between the QAC Boat Landing and the Watson Road bridge. The Town is interested in enhancing public access to the waterfront, and creating gateway linkages between the Centreville Wharf and the Central Business District through cultural or commercial uses of the site. The Centreville Wharf Advisory Committee is tasked with making recommendations to the Town about this property, and seeks your input into the process. Please complete the form below to submit your ideas for consideration. You may submit as many forms as you wish.

I would like to see enhanced public access to the waterfront by adding the following amenities at the Centreville Wharf:

I suggest the following commercial use(s) be considered to create a gateway to the Town and link the site with the Central Business District:

I suggest the following cultural use(s) be considered to create a gateway to the Town and link the site with the Central Business District:

Additional comments:

In case the Committee has further questions about your ideas, please provide the information below.
