MEMORANDUM

DATE: November 29, 2016

TO: Centreville Town Council

FROM: Steve Walls, Town Manager

RE: Waiver of Noise Ordinance, Chapter 88, Sections 1 and 2

This is a request to formally place in the public record the noise ordinance waiver that was requested via email for night construction to take place for three nights during the week of November 27th was approved by two out of three Council Members.

Also, please consider waiving Chapter 88, Sections 1 and 2 for the duration of the Kidwell Avenue Construction Project. While on-going night construction is not expected, at times, it may be warranted.

The Town Council, in the past, has approved the waiver of Chapter 88 for road construction and infrastructure work on Railroad Avenue, Hope Road, Broadway and Chesterfield Avenue.
