

Larry Hogan, Governor  
Boyd K. Rutherford, Lt. Governor

Pete K. Rahn, Secretary  
Gregory C. Johnson, P.E., Administrator

October 11, 2016

The Honorable George G. Sigler  
The Honorable Timothy E. McCluskey  
The Honorable Jim A. Beauchamp  
Town Council of Centreville  
101 Lawyers Row  
Centreville MD 21617

Dear President Sigler, Vice President McCluskey, and Councilmember Beauchamp:

I am writing in reference to the Maryland Department of Transportation's State Highway Administration (SHA) US 301 (Blue Star Memorial Highway)/US 304 (Ruthsburg Road) overpass project. Previously, the Town Council of Centreville wrote to Mr. Gregory C. Johnson, P.E., SHA Administrator, on July 7, 2016, to request increased conduit sizing for two of the four lengths under US 301 as part of this project in order to accommodate future utilities. I am happy to provide an update in this matter.

Per Mr. Johnson's response to the Town Council of Centreville, SHA has agreed to include the increased conduit sizing as part of the project at the Town's expense. As requested by the Town Council, SHA has reached out to our contractor to provide a cost estimate for this change. The net cost to increase the conduit sizing will be \$13,400.00, which includes 200 linear feet of 15 inch RCCP Class V pipe and 200 linear feet of 18 inch RCCP Class V pipe to meet the utility needs of the Town. Prior to performing this work, SHA requests confirmation from the Town Council as to whether this cost is acceptable. Upon agreement, the Town will enter into a Memorandum of Understanding with SHA and this upgrade will be incorporated into the contract.

Thank you again for your letter. If you have any additional questions or concerns, please feel free to contact myself or Mr. Bret Hadzimichalis, SHA Assistant District 2 Engineer - Construction, at 410-778-3061, toll-free 1-800-637-9740, or via email at [bhadzimichalis@sha.state.md.us](mailto:bhadzimichalis@sha.state.md.us). Mr. Hadzimichalis will be happy to assist you.

Sincerely,

A handwritten signature in black ink that reads 'Greg Holsey'.

Greg Holsey  
District 2 Engineer
