

**TOWN COUNCIL OF CENTREVILLE
RESOLUTION 06-2021**

**A RESOLUTION OF THE TOWN COUNCIL OF CENTREVILLE ESTABLISHING
THE TOWN OF CENTREVILLE CATEGORY I, CATEGORY II AND CATEGORY III
WASTE REMOVAL FEE.**

WHEREAS, §129-18 of the Centreville Town Code provides that the Town Council of Centreville can set waste removal fees for Category I, Category II and Category III Waste, as those terms are defined in §129-17 of the Centreville Town Code;

WHEREAS, on October 6, 2004 the Town of Centreville established a rate of \$37.50 per lot for the removal of Category I Waste;

WHEREAS, on February 11, 2016 the Town of Centreville established a rate of \$45.00 for Category I, Category II, and Category III Waste combined, and beginning Fiscal Year 2019, a 3% increase on Category I, Category II, and Category III Waste Removal was implemented and every three years thereafter;

WHEREAS, the Town Council of Centreville believes that the current user fee of \$46.35 is insufficient to cover the cost of Category I, Category II and Category III Waste removal and the tipping fees associated with such waste; and

WHEREAS, the Town Council of Centreville believes that a quarterly fee of \$48.50 per equivalent dwelling unit (EDU), per quarter, effective June 3, 2021, would adequately cover the cost of Category I, Category II and Category III Waste removal and the tipping fees associated with such waste.

NOW, THEREFORE, BE IT RESOLVED by the Town Council of Centreville, this 3rd day of June, 2021 that effective June 3, 2021, the fee for Category I, Category II and Category III Waste Removal collection shall be \$48.50.

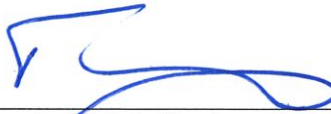

AND BE IT FURTHER RESOLVED, that beginning Fiscal Year 2023 a 3% rate increase on Category I, Category II and Category III Waste Removal shall be implemented every year thereafter unless amended by the Town Council of Centreville by resolution. The Council may also amend the rate of increase in the ordinance that it passes to adopt the budget for the Town;
