**Town of Centreville and Queen Anne's County Planning Commissions'
Joint Resolution To Recommend Adoption
of the
Centreville Community Plan**

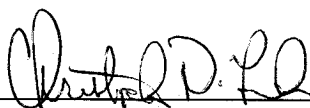

The Centreville Community Plan will jointly serve as the Official Comprehensive Plan of Centreville and as an official amendment to the 2002 Queen Anne's County Comprehensive Plan.

A Citizen Advisory Committee draft of the Centreville Community Plan was the subject of a public hearing sponsored by the Town and County Planning Commissions on September 26, 2007. Subsequent Planning Commission work sessions were held to consider all public comments and state and local agency comments. A number of revisions were jointly agreed upon by the Planning Commissions and were incorporated in a Planning Commission Draft dated December 12, 2007, which was recommended to the Town Council and County Commissioners.

After receiving feedback from the Town Council and County Commissioners following their Joint Hearing on December 18, 2008, each Planning Commission reconsidered the Plan and has jointly agreed to a number of revisions. These revisions are incorporated into this revised Planning Commissions' Recommended Centreville Community Plan.

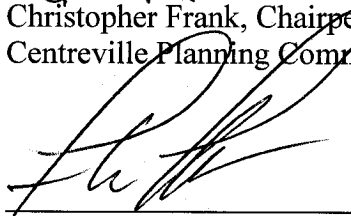

After careful review, each Planning Commission voted to approve the following resolution:

RESOLVED that, pursuant to Section 3.07 of Article 66B of the Annotated Code of Maryland and the 2002 Queen Anne's County Comprehensive Plan, the Centreville Planning Commission and the Queen Anne's County Planning Commission do jointly and favorably recommend to the Centreville Town Council and the Queen Anne's County Commissioners the adoption of the attached Planning Commissions' Recommended Centreville Community Plan with the understanding that typographical or formatting changes may be necessary.
