

DRAFT  
 Impact of Projected Growth: Public School Capacity

Public School <sup>1</sup>	State Rated Capacity	2020 Fall Enrollment	% Use in 2020	2040 Projection 1			2040 Projection 2			2040 Projection 3		
				Increased Pupil Enrollment	Capacity Remaining	% Use in 2040	Increased Pupil Enrollment	Capacity Remaining in	% Use in 2040	Increased Pupil Enrollment	Capacity Remaining	% Use in 2040
Centreville Elementary	581	432	74.4%	89	117	89%	475	(269)	125%	143	64	94%
Kennard Elementary	503	446	88.7%									
Centreville Middle	659	550	83.5%	44	65	90%	237	(357)	119%	71	38	94%
Queen Anne's County High	1,263	1,214	96.1%	67	(18)	101%	356	(925)	124%	107	(58)	105%

<sup>1</sup>The "Projected Increased Demand" (for student enrollment) reflects the following assumed pupil yields for new dwelling units: 0.2 students per unit (for elementary school), 0.1 students per unit (for middle school) and 0.15 students per unit (for high school).  
 Source of State Rated Capacity and Enrollment data is the Queen Anne's County Public Schools Educational Facilities Master Plan, 2022
