HOLIDAY ISSUE 2017

HOLIDAY PASSPORT

See pages 4 and 5

We all know how important it is to patronize local businesses. We all talk the talk, but now we'll get to walk the walk AND get a chance to be rewarded too! Find your "Be Loyal. Buy Local" Passport on pages 4 and 5. Visit all participating businesses and Queen Anne's County Centre for the Arts and ask them to validate your Passport. You can get your Passport validated by the Centre for the Arts at Heck with the Malls (at their location or St. Paul's Parish) or during regular business hours from Tuesday to Friday from 10 a.m. to 2 p.m. No purchase required. The promotion runs to December 18.

Return your completed passport to Centreville Town Hall no later than 4 p.m. on Monday, December 18 in person or by mail, 101 Lawyers Row. The entire two pages must be returned with validation from all merchants. Three winners will be drawn for gift certificates from our participating businesses. First Prize: a total of \$75 in gift certificates; Second Prize: a total of \$50 in gift certificates; and Third Prize: a total of \$25 in gift certificates.

STRESS FREE HOLIDAY PHOTOGRAPHY

Tips & Tricks from Erin Wheeler Photography

It's that time of year when families don matching outfits and pose for family portraits. If your family is anything like mine, this can sometimes be a painful process. Don't let your holiday cheer be ruined by the stress! Centreville's Erin Wheeler of Erin Wheeler Photography offers tips and tricks for stress-free holiday photos.

To prepare for the experience, Erin suggests you plan ahead. "Most of my clients book about a month ahead of time. This will give you time to plan out outfits as well as think of what type of location and background you would like your photos to have," says Erin.

When prepping children, she suggests talking to them about the photo session as a fun experience rather than a task. And most importantly, make sure your children are well rested and fed prior to your session.

Erin also offers advice on what to wear. "I always tell my families to coordinate their outfits, but they don't have to be 'matchy.' Pick a color and then add different shades and textures. In the fall and winter, layers and accessories can be fun – vests, scarves, hats, etc. Avoid logos and graphic tees. Most of all, make sure you look and feel comfortable in your outfit."

Most of Erin's photo sessions are outdoors. The seasoned photographer has shot photos in many beautiful scenic spots around the Eastern Shore – from downtown areas to waterfronts to farms. Erin can also suggest a location based on your needs.

Family portraits are a timeless gift that will be appreciated for years to come. Capture the moment and book your appointment today. Erin Wheeler Photography offers photography sessions focused on weddings and other special events, as well as families, seniors and children.
