The agent shall execute an affidavit under penalty of perjury that the ballot was delivered to the voter who submitted the application, was marked by the voter in the agent's presence, was placed in a sealed envelope in the agent's presence, and returned by the agent, under seal, to the Board of Supervisors of Elections, by close of the election polls.
5. **To assure the confidentiality of each ballot, the registered voter should seal the marked ballot in an unmarked envelope. This unmarked sealed envelope, containing the marked ballot, should then be placed inside another (outer) envelope, which is sealed. The registered voter is to sign their name on the outer envelope preferably across the seal of the envelope. The outer envelope should be clearly marked on the front with the voter's full name printed or written legibly on the outside with the notation, "Absentee Ballot".**
