EARLE'S COVE TRADING COMPANY

121 E. WATER STREET, CENTREVILLE | (443) 988-5874

WEDNESDAY: 1 – 5:30 P.M. | FRIDAY: 1 – 6 P.M. | SATURDAY: 10 A.M. – 2 P.M. OR BY APPOINTMENT

Shop owner Paige Tilghman opened Earle's Cove Trading Company in late October 2019. The new storefront adds another dimension to our Centreville shopping and restaurant district. Paige's retail knowledge includes work with specialty shops and franchises and 30 years of experience in business development with the economic development office for the state of Maryland and Talbot County government. She sees the opening of her store as an opportunity to expand the retail options available to locals and visitors by offering Art, Antiques and Niceties for sale. Stop by the shop when you go to the post office, visit the Centreville Queen Anne's Library, dine at one of our downtown restaurants, or simply take a beautiful spring walk through the historic downtown.

Paige has a wonderful collection of one-of-a-kind artworks and antiques, including lamps, china, furniture, linens, and many other interesting and crafted pieces collected over many years. In addition, interesting old books, hand-painted cards, handcrafted soaps, candles, and scarfs are available for purchase. If there's a specific item that you are looking to purchase and you don't see it in the store, Paige has additional inventory at another location.

Make your visit to Earle's Cove Trading Company a destination for buying that last-minute gift or for browsing through some fascinating décor for your home. You will be pleasantly surprised! Earle's Cove is also open to providing space for local artists and crafters to show their work.

Convenient public parking is available immediately across the street with easy access for your Centreville shopping adventure.

CENTRAL GAMING CORPS.

2478 CENTREVILLE ROAD, SUITE C, CENTREVILLE (FOOD LION SHOPPING CENTER) | (443) 262-8093

MONDAY THROUGH FRIDAY: 11 A.M. – 9 P.M. | SATURDAY: 11 A.M. – 10 P.M. | SUNDAY: 11 A.M. – 6 P.M.

Daniel Meeks loves games. In the past, he helped grow two gaming businesses into successful corporations and is now embarking on a third endeavor right here in his hometown of Centreville. Daniel loves that games offer an opportunity to learn and socialize. "Games are versatile! They can allow for any number of players. You can use games to create a themed party or even act as an ice breaker for an event. Learning a game teaches patience, imagination, and strategy," says Daniel.

As proprietor of Central Gaming Corps, Daniel will be your "personal game guru" sharing his boundless knowledge while helping you pick out the perfect game. Customers can even demo games before they make their purchase. Not sure how to play a particular game? No problem. Daniel will even provide one-on-one instruction.

Central Gaming Corps offers merchandise for all budgets. The vast inventory includes board, card, role-playing and party games, miniatures, paints and even hobby supplies. In the future, Central Gaming Corps hopes to consign used games and will host in-store events. Stay tuned for "Learn to Play" events as well as a "How to Paint Minis" course. Also, on the horizon is a gaming tournament circuit with other gaming stores that will encourage cross traffic and new challenges for gamers.

Look for future announcements for Central Gaming Corps' rentable party room. In the meanwhile, stop in and introduce yourself to Daniel. Learn how games can add fun and learning to your free time. Surely, this new Centreville business will be a terrific addition to our business community!
